Mrs. Rose Harris Dies at Son's Home

Mrs. Rose Harris, 74, mother of Abraham A. Harris, 511 Iris St. with whom she had been living for the past 12 years, died suddenly on Tuesday. The remains were taken to the Franklin & Crowe Mortuary. Harris is manager of a Redwood City Safeway Store.

A new development by the Forest Service, known as a "haze-cutter," improves sight conditions for forest fire look-outs.

Loomis — Fun With a Pencil.
Ludwig — The Germans.
Lutes — Country Schoolma'am.
McGinley — Husbands Are Difficult.
Moffitt — The Cocker Spaniel.
Reilly — Secret of Better Health.
Seely — Sagebrush Dentist.
Shea — The Army Wife.
Skinner — Soap Behind the Ears.
Swanson — Modern Shipfitter's Handbook.
Tourtelot — The Charles (Rivers of America Series).
Tunis — This Writing Game.
Van Doren — Secret History of American Revolution.
Zweig — Brazil, Land of the Future.

Sheriff Confiscates Coast Slot Machine

Sheriff James J. McGrath disclosed here that he had confiscated a slot machine of the five-cent variety in a raid on the Frank Torres tavern at Moss Beach yesterday. A complaint will be issued against Torres later, the sheriff said.

Store Employees Set a Good Example Here

It's action like this that the Redwood City Defense Savings Committee hopes will be typical of many taken during the war. In a recent contest for the sale of coupon books, the Redwood City Montgomery Ward store was first in its division, and won a \$50 cash prize. Employees of the store voted that, instead of holding a party with the money, they would buy defense stamps and divide them among the employees. Picture shows Bruce M. Knox, manager, buying the stamps from Postmaster Robert E. O'Connell. More than 75 per cent of the Ward employees also are participating in the voluntary Pay Roll Savings Purchase Plan suggested by the U. S. Treasury.

Credentials Given First Defense Workers

Civilian defense training in San Mateo County, intensified immediately after the attack on Pearl Harbor, attained an important result Monday when the first 11 of more than 10,000 volunteers received their credentials as fully qualified defense workers.

Earl P. Wilsey, chairman of the San Mateo County Defense Council, also announced today that he had appointed Lawrence Barrett, San Mateo resident and chairman of the California Highway Commission, as head of the county's evacuation committee.

Gibson Kingren, co-ordinator of civilian defense training, said that the 11 Menlo Park air wardens who were given their certificates last night in ceremonies at the Menlo Park City Hall represent the beginning of a constant stream of defense "graduates."

The first graduates are Jerome Draper, John O. Beard, S. F. Beatty Jr., Kenneth Benedict, Ira L. Boynton, Gardner R. Callio, John De Angeles, Ruben L. Flint, William R. Gould, James L. Rogers and Frederick C. West.

The tung oil crop of the United States will approximate 5,000,000 pounds this year, according to the Department of Commerce.

Dynamic Fluid Makes Appearance Here

Dynamic Fluid, a new defense product for automobiles and trucks, is increasing its territory of distribution to Redwood City, according to T. D. Neal, petroleum and automotive engineer of the company, whose product was recently accepted by the municipalities of Oakland, Long Beach and the City and County of Los Angeles.

Many automobile and tire dealers and salesmen have been added to the staff of Neal Dynamic Fluid Co. since automobile and tire sales were curtailed by the government. Salesmen who have had their income affected by priorities may write to the home office of the company in Los Angeles.

RETIRED M.P. MAN DIES

Charles Lund, 91, retired telephone company employee, died in San San Mateo on Tuesday afternoon after a three-day illness. He had lived in Menlo Park for the past four years. He leaves a daughter, Mrs. Cristabel Rogers. He was a member of the Masonic fraternity in Boston. Funeral arrangements are pending at the Franklin & Crowe Mortuary.

Cover Strip Check Planned on Autoists

Periodic traffic blockades at which serial numbers of "cover strip" automobile license plates will be checked with the serial numbers on registration cards shortly will be instituted by the California Highway Patrol in San Mateo County.

James M. Carter, director of Motor Vehicles, announced he had given these instructions to highway patrolmen throughout California to prevent theft of the cover strip plates adopted for 1942 to save steel. Carter said drivers will be held in all cases where the serial numbers of the strip plates do not correspond with the number on the registration card.

In further effort to prevent thefts, Chief E. Raymond Cato has ordered patrolmen to examine the serial numbers on plates and registration cards as a part of their routine inspection when drivers are stopped on the highway for any reason.

Probation Sought By Arsonist

Millard A. Whitelock, convicted Redwood City arsonist, made a motion for probation when he appeared for sentence before Judge A. R. Cotton in superior court Monday afternoon. The case was continued two weeks.

Carlet M. Daniel, 27, Belmont, charged with rape, entered a plea of not guilty after arraignment and the case went over one week to set.

Sam Berghorst, 37, Redwood City laborer charged with felony drunk driving, was arraigned. He was given one week in which to plead.

Openings Available In Toastmaster Club

Redwood City Toastmasters Club Monday heard four speakers, engaged in a discussion of proper methods to sell defense bonds, and announced that there are several openings in the club membership. Applicants were advised to contact Dan Connor, telephone Redwood City 2387-W. Chairman last night was S. S. Mayo. The speakers were Guido Brandolini, James Thornton, Norman Meyer and John Brand.

Mayor Anderson Aids Easter Seal Sale

Praising the work of the San Mateo County Unit of the Society for Crippled Children, Mayor Harold F. Anderson of Redwood City has given his personal approval and indorsement to the sale of Easter Seals Mar. 10-Apr. 5, in order to finance a program for crippled children.

"Although the work of the Society for Crippled Children carries with it every opportunity for a strong heart appeal, in my estimation no such appeal is necessary," said Mayor Anderson. "The economic and social benefits to society as a whole would alone serve to justify many times the expenditures now made in this kind of work."

Mayor Anderson pointed out "giving physically handicapped boys and girls a chance to be like other 'kids' means they will become normal members of the community, self-supporting, self-respecting and well adjusted."

To establish facts regarding the crippled child, a survey is at present being conducted in San Mateo County by a trained person. The public and private organizations, such as the county public health, social welfare and educational departments, the Red Cross, tubercular association, YMCA, Boy Scouts, and various church groups are co-operating in this work, the society explained.

"Therefore, I suggest that we all give our moral and financial support to this worthy Easter Seal sale drive," Mayor Anderson said.

Capt. Lorne G. McAloney is chairman of the Easter Seal sale.

How to Blackout..... and still have LIGHT for safety and comfort!

Civilian Defense Authorities advise:

- 1 Select one or more rooms where the family may assemble during a blackout. Consider size of room, adequacy of furnishings and access to kitchen, bathrooms and halls.
- 2 Arrange installations for complete blacking out of all windows, transoms and skylights in the selected room, employing one of the officially approved methods recommended by Civilian Defense Authorities.
- 3 Provide your blackout space with ample lighting facilities so that family activities may continue... games for the children, reading and other diversions for the adults. Light and occupation help banish fear.
- 4 Simple, easy to use blackout devices are preferable. Build them so that they can be quickly utilized or applied. In the absence of air raid alarms, live as you are accustomed to live.

RECOMMENDED BLACKOUT METHODS

REINFORCED BUILDING PAPER or other completely opaque paper, fibboard or cardboard.
BLACK TWEED
BLACK SATEN
COMPOSITION-TREATED CLOTH
JEAN CLOTH
BLACK COTTON FLANNEL
DENIM
Use only tested qualities of these materials, fully light proof.

ASK FOR HANDBOOK
Ask at any P. G. & E. office for handbook of plans and specifications for blackout preparation of your home. For official answers to your questions call your local Civilian Defense Council.

MENLO PARK NEWS

BY D. E. O'KEEFE

MENLO PARK—It is rumored about town that a dark horse is being groomed for trustee at next month's trustee election. He's a winner and goes into the race as a reformer.

Mr. and Mrs. George Angus Sr. celebrated their golden wedding anniversary at a dinner given Sunday in their honor by their son and daughter-in-law, Mr. and Mrs. George Angus Jr., at their Atherton home. Mr. and Mrs. Angus Sr. have lived in the Menlo Park district for 50 years and have made many friends here.

For the three places on the city board of trustees, Harry Carroll, incumbent, Charles Oram and William Cutter have filed petitions. The election takes place Apr. 14. Trustees Hugo May and James E. Cooper will not be candidates. The clerk and treasurer have two years yet to serve. Mr. Carroll has served on the board for many years and has made a good and faithful public servant. Charles Oram is an electrical engineer and has resided in Stanford Park for some years. Mr. Cutter is a retired salesman.

Mrs. Thomas Harrington, who has been quite ill for 10 days, is recovering. The news will be hailed with delight by her many friends.

Charles Googan, a wealthy retired jeweler of Chicago, is here with his wife and family seeking a suitable home in the suburbs to spend the evening of life in the warm sunshine of Menlo Park. He may locate in Felton Gables.

Mrs. Mary Moriarty, a native of Ireland, aged 87, passed away at East Palo Alto Tuesday after a long illness. She came to Men-

lo Park with her husband, the late John Moriarty, in 1875, and has lived here ever since. She is survived by three children, Edward Moriarty of San Francisco, Mrs. Margaret Shine of Woodside and Miss Annie Moriarty. Following a requiem mass in Church of the Nativity Wednesday, the remains were laid to rest at Holy Cross Cemetery.

Two Southern Pacific officials were here Tuesday looking for a location for a \$25,000 depot to be erected near the present ancient and dilapidated building. Work, it is said, will start this Summer. This, however, will depend on the labor situation, which does not look so good at present.

Three marriages are scheduled to take place after Lent in Menlo Park. The parties to the forthcoming events are residents of this city:

A local young man was to be married to a Palo Alto school teacher right after Lent. Yesterday he received notice to appear for service at Moffett Field at once. The marriage will have to be postponed until after the war.

A wealthy lady of Atherton was enjoying her beautiful budding plum trees the other day and being informed the trees came from Japan she was tempted to cut them down. She has a son in the Rangoon army. Why take her enmity out on the trees?

Two Local Men Taken Into Army at P. A.

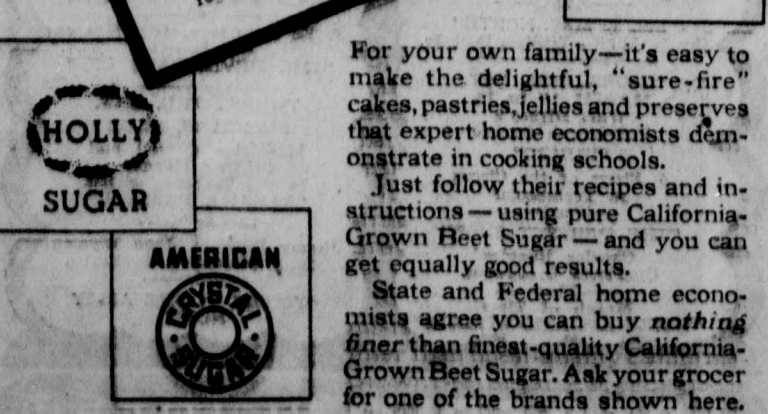

Among men inducted into the U. S. Army on Monday by Palo Alto Selective Service Board 112 were George Brand and Phillip Ehrhorn of Redwood City.

Cooking School Experts say—

"There's nothing finer than California-Grown Beet Sugar"

Prove it for yourself with this easy recipe
Birthday Cake
1/2 cup shortening
1 1/2 cups brown sugar
1 cup sour milk
1 cup vanilla
2 eggs
3 small bananas, mashed
2 cups sifted flour
1/2 teaspoon salt
Cream sugar and shortening well, add beaten egg yolks, then add mashed bananas and nuts. Sift flour, baking powder and salt together and add alternately with sour milk to which soda and vanilla have been added. Lastly fold in stiffly beaten egg whites. Makes three 8-inch layers. Bake in a 350 to 375 degree oven for 25 to 30 minutes. Ice the cake with your favorite icing.

For your own family—it's easy to make the delightful, "sure-fire" cakes, pastries, jellies and preserves that expert home economists demonstrate in cooking schools.

Just follow their recipes and instructions—using pure California-Grown Beet Sugar—and you can get equally good results.

State and Federal home economists agree you can buy nothing finer than finest-quality California-Grown Beet Sugar. Ask your grocer for one of the brands shown here.

CALIFORNIA-GROWN BEET SUGAR

Problem of Manufacture, Delivery of Arms Told Kiwanis

Maj.-Gen. Robert C. Richardson, commander of the Seventh Army Corps of the Northern California Sector of the Western Defense Command, told members of the Redwood City Kiwanis

Club yesterday noon of problems facing the army in California today. Chief problems since the attack on Pearl Harbor have been manufacture and delivery of sufficient ammunition and equipment, development of officers, and training of men, the speaker said. He pointed out that in 1917 the United States

bought much of its needed war supplies from other nations, but that in this war we are the "arsenal of democracy," pouring out supplies to all of Allies. It takes six months to get a recruit trained physically and psychologically as a soldier, pointed out Gen. Richardson, who is one of four commanders under Gen. J. L. De Witt on the

Pacific Coast. A force of green men is no army at all, but just a "conglomeration of regiments" until the men have been inculcated thoroughly with the spirit of war and with a strict sense of discipline. General Richardson has little use for most of the "social side" in an army camp today. Modern warfare demands

Spartan training, he declared, and while certain entertainment provides necessary diversion for the soldiers, much of it has been overemphasized, in his opinion. The chief task of the Western Defense Command is to protect the coast against attack and to guard against saboteurs, the speaker said. Alien removal from

the combat zone is one step in the latter job. General Richardson was introduced by County Welfare Supt. Adrian Ward. Fred R. Silvey, charter president of the Redwood City 20-30 Club, asked the Kiwanians' support of the "Drive under 40" campaign, and outlined other projects of the local Twenty-Thirtians.

Peninsula's Major Shows Are Canceled

The shadow of war fell on San Mateo County more darkly Tuesday with the cancellation of the county's three major 1942 shows, the Peninsula July 4th celebration at Redwood City, the fiesta at Bay Meadows race track, and the Grand National Livestock Exposition at the Cow Palace.

The Redwood City celebration was blacked out by the Peninsula Celebration Association, which was to run the July 4th show. Several "home town" events will be substituted to commemorate the 75th anniversary May 11 of the incorporation of the county seat, it was announced.

Directors of the fiesta met with the board of supervisors this morning to announce that the 1942 show would not be held because of the emergency. The fiesta officers were thanked, lauded for their past efforts, and encouraged to resume the county floral and industrial exhibit when conditions permit.

Cancellation of the Grand National was disclosed in Sacramento with the resignation of Harold F. De Pue as general manager of the Cow Palace and the 1-A Agricultural District. In accepting the resignation, George Killion, state finance director, said the army has taken over the massive Cow Palace and that any hopes for a 1942 livestock exposition are gone.

Month-Old Baby Strangles in Crib

SAN MATEO—Frantic efforts of San Mateo firemen and two private physicians failed Monday to save the life of the infant son of Mr. and Mrs. Charles E. Tatum.

The month-old baby apparently strangled to death while drinking its milk, the coroner's office reported. Firemen worked without success for 40 minutes over the little body with an inhalator.

The mother had apparently put the child in its basket. When firemen arrived at the scene, the baby's face was turned toward the pillow and breathing had stopped.

BUY A SHARE IN AMERICA

DEFENSE SAVINGS BONDS AND STAMPS

BANK WITH YOUR COUNTRY is the theme of this effective Defense Savings poster now seen in store windows and in the lobbies of buildings all over the country. Drawn by artist Henry Billings, of Rhinebeck, N. Y., the poster portrays the spirit of patriotism by investing in the United States Government through the purchase of Defense Bonds and Stamps. Stamps are priced from 10 cents to \$5; Bonds from \$18.75 to \$10,000.

Morale-Building Events For Local People Only To Mark Diamond Jubilee

Although there will be no big two-day Fourth of July Celebration in Redwood City this year, as had been planned before the war broke out, the 75th anniversary of the county seat's incorporation will not go unobserved.

This was the decision reached Monday by the Peninsula Celebration Association's executive committee.

Because of the need of devoting energies and funds to prosecuting the war and home defense, it was unanimously agreed that a big celebration should not be undertaken this year. But several small morale-building events will be staged, one of them on May 11—anniversary of the incorporation of the city, it was tentatively decided by the executive committee members attending—Ole S. Oleson, president; Alfred Morton, secretary; J. A. Buhler, treasurer; Walton T. Maloney; Kenneth L. Bowen and Mark E. Ryan.

The program as outlined at the meeting—subject to change if made advisable by the war—appears as follows:

Apr. 21—Start of a 30-day dress-up or mustache-growing period during which residents

not participating in order to get into the spirit of the 75-year-old period would be hailed before a kangaroo court by "Sheriff" Margaret Rice and fined by "Judge" Edmund Scott, recently elected to their positions. Fines would be used to purchase defense stamps, with half of the stamps going into the Peninsula Celebration Association's recreation fund to be used at a future date for recreation facilities; half of it going back to those fined in the form of awards at a subsequent event.

May 10—Sunday afternoon musical program and official commemoration of the incorporation of Redwood City.

May 11—2 p.m. May fete at Sequoia High School Football Field, with a band concert, maypole fete, drill team exhibition, tumbling, and other events designed primarily to appeal to children.

May 21—Redwood City Chamber of Commerce annual barbecue at Mezes Plaza, Warren and Standish Sts. (This affair was held at Port of Redwood City last year), followed by a "Gay '90's Dance" on the tennis courts, to which the entire community would be invited, free. This would climax the dress-up period.

June 14—Sequoia Yacht Club-sponsored yacht races at Redwood City Yacht Harbor.

POSSIBLE EVENT JULY 4
Possibly something will yet be worked out so that July 4 may be observed here for the benefit of local people not desiring to go out of town.

All of the events, it was stressed, will be designed to appeal only to local people—no attempt to bring in outsiders, as was done last year, believed advisable this year. The affairs will also be staged

High School's Expenses Gain

Current expenditures of Sequoia High School District last year amounted to \$189.24 a pupil in average daily attendance, compared with a \$163.03 median or midpoint expenditure for similar sized four-year high school districts teaching grades 9 to 12, a study of expenditures of the 176 larger high school districts in California, recently completed by California Taxpayers' Association, shows. The per pupil expenditures were also up over the previous year, the association learned.

Teachers' salaries per pupil by the district amounted to \$121.06, compared with the median of \$101.72, the association found. Expenditures for auxiliary expenses averaged \$18.35 per pupil, while the median was \$10.30. Expenditures for other current purposes amounted to \$49.83, compared with a median expenditure per pupil for this classification of \$44.75 in similar sized high school districts offering the same grades of instruction, the association reported.

Use of the median as the yardstick for pupil expenditures by school districts shows how far the district departs from the midpoint in expenditures by districts teaching the same school grades and of comparable size, the association stated. Half of the districts studied are above the median and half are below in each of the expenditure groupings.

The school's expenses per pupil last year were higher than during the previous year also, the taxpayer's group learned. While the expenses were \$189.24 per pupil last year for the 1781 pupils, they were \$180.65 the year before for each of the 1693 pupils then in average daily attendance.

Teachers' salaries per pupil amounted to \$121.06 for 1940-41, with as little work and expense as possible, so that citizens may devote their energies and funds to the war, it was agreed.

compared with \$120.69 the year preceding, the association found. Expenditures for auxiliary agencies amounted to \$18.35 for 1940-41 and to \$12.06 the year preceding. Other current expenditures averaged \$49.83 for 1940-41, compared with \$47.90 in 1939-40. The expenditure for teachers' salaries is and should be the largest single expenditure item in the cost of schools, the association stated, pointing out that teachers' salary payments are directly related to the number of teachers employed, the number of pupils per teacher, and the trend of enrollment.

Cost of Ruskets Is Not Increased

Packing 14 ounces in the same sized package that formerly held 12 ounces makes it possible for Vitamized Ruskets, California's flaked whole wheat cereal, to keep the price per serving at the old 1941 levels despite rising food costs, according to George T. Chapman, general manager of the Loma Linda Food Co.

The 14 per cent saving in paper effected by the "tight pack," Chapman stated, together with resultant economies in handling, packaging and shipping, has just about offset increased production costs so that Ruskets are still being sold at the old price of 1 cent per one ounce serving.

"The fact that the flakes in Ruskets are compressed into biscuit form is also an important factor in holding down the cost of handling and packaging, as well as a convenience in serving," Chapman pointed out. "The contents are wrapped in four inner sealpacks so that only one-fourth of the package need be opened at one time, keeping the flavor and freshness of the remainder sealed until required."

In step with the government's demand for proper nutrition and vitamins in food, Ruskets, naturally rich in vitamins from whole-grain wheat including the life germ, are fortified to provide in each one ounce serving 100 International units of Vitamin B1 and 100 Micrograms of G, said to be the two vitamins in which deficiencies most frequently occur.

February Building Sets Record Here

The rush to secure building permits before the Mar. 1 deadline barring gas heater connections brought Redwood City's building activity for February to an all-time high, it was disclosed here by Bldg. Insptr. L. M. Duncan. In the hour between 11 a.m. and noon Saturday Duncan wrote permits for 17 additional homes, bringing this month's total to 57. February building totaled \$414,000.

San Carlos joined the building parade with permits for 22 new homes Saturday to cost an estimated \$96,000.

PUBLIC NOTICE

I. Karmel, Atty.
SUMMONS
Action No. 33620—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

CALIFORNIA PACIFIC TITLE AND TRUST COMPANY, a corporation, plaintiff, vs. All persons claiming any interest in, or lien upon, the real property described or any part thereof, defendants, greeting:

You are hereby notified to appear and answer the complaint of California Pacific Title and Trust Company, a corporation, plaintiff, filed with the Clerk of the above-entitled Court and County, within three months after the first publication of this summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the City of San Carlos, County of San Mateo, State of California, particularly described as follows:

Portion of Lot 2 in Block 18, as designated on the map entitled "SAN CARLOS SAN MATEO CO. CAL.", which map was filed in the office of the Recorder of the County of San Mateo, State of California, on September 4, 1888, in Book "B" of Maps, at page 19, and a copy entered in Book 1 of Maps, at page 76, more particularly described as:

BEGINNING at a point on the southerly line of Laurel Street, one hundred seventy-five (175) feet northwesterly from the intersection of the southerly line of Laurel Street with the northwesterly line of Cypress Avenue, as said Street and Avenue appear on the map above mentioned; thence along the southerly line of Laurel Street, northwesterly twenty-five (25) feet; thence leaving said southerly line of Laurel Street and running southerly and parallel with the northwesterly line of Cypress Avenue, one hundred five (105) feet; thence southeasterly and parallel with the southerly line of Laurel Street twenty-five (25) feet; thence northeasterly and parallel with the northwesterly line of Cypress Avenue one hundred five (105) feet to the point of beginning.

And you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: That it be adjudged that the plaintiff is the owner of said property in fee simple absolute; that the title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consists of mortgages or lien of any description; that plaintiff recover the costs herein and have such other and further relief as may be met in the premises.

WITNESS my hand and the seal of this Court.

Dated December 30, 1941.

(SEAL)

W. H. AUGUSTUS, Clerk.
By TILLIE CHIOLERO,
Deputy Clerk.

MEMORANDUM

The first publication of this Summons was made in Peninsula Beacon newspaper on the 9th day of January, A. D. 1942.

The following persons are said to claim an interest in, or lien upon, said property adverse to plaintiff: Henrietta Fleming, address unknown.

Arthur Fleming, address unknown.

I. KARMEL,
Attorney for Plaintiff,
Humboldt Bank Bldg.,
788 Market Street,
San Francisco, Calif.

Published in Peninsula Beacon Jan. 9, 16, 23, 30; Feb. 6, 13, 20, 27; Mar. 6, 1942.

Jell-a-Teen Outstanding In Flavor, Tenderness

In homes where food is bought with care and where quality and sensible savings are considerations, you hear one housewife ask another: "Have you tried that new Ben-Hur Jell-a-Teen?" One tells another of its tenderness and the extremely refreshing fresh-fruit-taste of Ben-Hur flavors. You will enjoy saving with Ben-Hur.

If finer things to eat at no greater cost mean anything to your scheme of living, by all means try this new Ben-Hur product. It is additionally appetizing to know that it is made with the finest calf gelatin. To meet every taste and color requirement, "Jell-a-Teen" is made in nine popular flavors—strawberry, raspberry, wild cherry, loganberry, orange, lemon, pineapple, lime and mint.

The name "Jell-a-Teen" also covers three extra-delicious puddings—chocolate, butterscotch and vanilla—which are made with arrowroot and contain no cornstarch.

The Department of Commerce reports that footwear production in Canada this year will set an all-time record.

Robert L. Ordish, Contractor, Dies Here

Robert Lincoln Ordish, a general contractor who had lived here seven years, died unexpectedly at his home, 1106 Eighth Ave., Friendly Acres, Mr. Ordish, who was 53, was a native of Grand Rapids, Mich.

His wife, Nellie Myrl Ordish, and three children survive. They are Mrs. Theresa Broyles of Tulsa, Okla., and Donald and Francis Andrews of Oakland.

The Rev. Rowland T. Edgeworth of the First Baptist Church will conduct the funeral Wednesday at 11 a.m. at the Layne & Tinney Funeral Home. Burial will be in Alta Mesa Memorial Park.

Through the use of an "electric eye" pointed at a street light, a complete blackout can be effected in a home, store or any other place, when the street light is turned out.

Local Woman Injured In Crash Near Coast

Mrs. Alice Akino, 29, 802 Stambaugh St., Redwood City, suffered minor injuries in a rear-end automobile accident on the Half Moon Bay Rd. 3 1/2 miles east of Half Moon Bay Monday afternoon. Cars driven by her

husband, Joe, 33, and M. Lucille Terry, 23, Half Moon Bay, collided. Mrs. Akino was treated at a San Mateo hospital for cuts and bruises.

Dominic Dominio, 45 Willow St., Redwood City, was jailed by the state highway patrol after a minor accident at Lomita Park last night. Dominio, a barber,

Nicotinic acid, an important member of vitamin B complex—and not nicotine, has a new name, "Niacin," chosen by National Research Council.

was accused of drunk driving and driving without a license, and was released on \$50 bail. He suffered contusions of the left elbow in the accident.

PUBLIC NOTICE

John W. Montgomery, Atty.
NOTICE OF ADMINISTRATORS
SALE OF REAL ESTATE AT
PRIVATE SALE.
Probate No. 88310

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO.

In the Matter of the Estate of FRANCIS M. BRADY, Deceased. NOTICE IS HEREBY GIVEN, that Charles A. Brady, administrator of the estate of Francis M. Brady, deceased, will sell at private sale, in one parcel, to the highest bidder, upon the terms and conditions hereinafter mentioned, and subject to confirmation by said Superior Court, on or after Saturday, March 7th, 1942, all the right, title, interest and estate of the said Francis M. Brady, deceased, at the time of her death, of, in, and to that certain lot, piece, or parcel of land situate, lying and being in the County of San Mateo, State of California, and more particularly described as follows, to-wit:

A portion of Lots 155 and 156 as said Lots are shown upon that certain map entitled "Town of Menlo to be sold at auction by John Middleton & Son," which map was filed November 12, 1886, in Book "E" of Original Maps, page 9 and a copy entered in Book 1 of Maps, page 92, San Mateo County Records, described as follows:

COMMENCING at the most easterly corner of said Lot 156, distant S. 33° 33' W. 16.01 feet from Engineer's Station 559+01.68 of the Department of Public Works' survey between Redwood City and Southern Boundary, road IV-SM-2-B, Redwood City, MIP; thence along the southeasterly line of said Lot 156, being the northwesterly line of Santa Cruz Avenue, S. 33° 33' W. 34.01 feet to a line parallel with and distant southwesterly 50.00 feet at right angles from the center line of said survey; thence along said parallel line, N. 58° 11' W. 109.41 feet to the northwesterly line of said Lot 155; thence along said lot line, N. 33° 33' E. 34.01 feet to the southwesterly line of the existing State highway; thence along said line, S. 58° 11' E. 109.42 feet to the point of commencement.

CONTAINING 0.085 of an acre, more or less. Terms and conditions of sale: Cash, in coin or money of the United States, to be paid on confirmation of sale. Deeds and abstract at the expense of the purchaser. The purchaser to take clear of encumbrances up to date of sale.

All bids or offers must be in writing, and may be left at the office of John W. Montgomery, 518 Beans Building, San Jose, California, attorney for said administrator, or may be delivered to said administrator, personally, in said City and County of San Francisco, or may be filed in the office of the clerk of this court, at any time after the first publication of this notice and before the making of the sale.

Dated: February 11, 1942.
CHARLES A. BRADY, Administrator of the estate of Francis M. Brady, Deceased.

I'D GIVE MY NEW HAT TO MAKE SUCH FLAKY PIE CRUST!

SAY—JUST TRY CRISCO'S NEW PASTRY METHOD... IT'S SURE-FIRE FOR FLAKY PIES!

GOODBYE TO TOUGH PIE CRUST!

Now! Crisco and its New Pastry Method end the 2 big causes of tough crust!

How proud you are when you cut into a tender golden-brown pie—but how awful when the crust is tough!

Now—be sure of flaky, tender pastry! Crisco brings you 2 new helps... First—Crisco itself is different because this pure, all-vegetable shortening is now made by an exclusive process. Why, cooks all over the country find Crisco does more to give them tender pastry than any other shortening. Second—Crisco has developed a new, sure-fire pastry method.

Goodbye guesswork! Till now, it's been so easy to make 2 mistakes that cause tough pie crust—

adding too much water and over-handling the dough. Now, with Crisco and Crisco's New Method, even beginners needn't have a worry!

Try it! Read Crisco's amazing New Pastry Method, given at the right. Don't wait a day to thrill your family with flaky, digestible pie crust.

Important!—Don't forget... this method was perfected for Crisco. We don't promise Crisco's sure-fire success with just any shortening. Use Crisco and only Crisco.

CRISCO-FRIED FOODS ARE SO DIGESTIBLE. EVEN CHILDREN CAN EAT 'EM!

Your help is needed in conserving paper

Military requirements of paper are causing a shortage of bags, wrapping paper and cartons. Extra care is needed to be sure none is wasted. . . HERE'S HOW YOU CAN HELP: 1. By using a SHOPPING BAG. 2. By returning usable cartons. 3. By taking your order home without a carton if you have your car. Just tell us if you care to do this.

A HIGH GOAL has been set by our President for the production of planes, guns, tanks, ships and all vital equipment for America's forces on land, sea, and air. That goal is being reached quickly, efficiently, making our all-out war program a bulwark of strength, ready to meet the challenge to our way of life.

But Uncle Sam cannot build for defense with arms alone . . . he needs men and women with strong, healthy bodies . . . you can help win the war by keeping healthy. Healthful recreation gives release to mind, body and spirit. Take up a sport as a hobby and keep physically fit.

Eat plenty . . . and eat the right things. None of us can afford to be undernourished with this big national task ahead of us. It is of major importance that we buy the right kinds of food . . . food that contains all the essential vitamins, proteins, fats and minerals.

Safeway pledges itself to do its share: by keeping food costs at a minimum and by discouraging any and all unwarranted advances in the price of foods you need, want and buy every day.

Learn about Vitamins, Minerals and Proteins!

Your Safeway has cooperated with the Government's effort to build a healthier stronger nation by preparing a brand new kind of "correspondence course" on nutrition. This correspondence course gives in ten, easy-to-understand lessons, the sort of practical, usable information you've been wanting on nutrition. Prepared by our own graduate nutritionists, the course has been checked and double-checked by other outstanding authorities in the fields of foods. You will notice a good many changes . . . radical ones, some of them are . . . in such things as ways of cooking vegetables.

Do your share in the Government health program—Enroll in the "Kitchen Course in Nutrition" today and you will be rewarded by the assurance that you are helping your boys and girls to build a foundation for buoyant, good health throughout their lives. And at the same time you'll help your husband and yourself to keep youthfully strong and vigorous in both mind and body, for more years than you may have thought possible.

To enroll, simply send 25c and your name and address to, JULIA LEE WRIGHT, BOX 660 C.C., OAKLAND, CALIFORNIA.

GUARANTEED MEATS an excellent source of necessary Proteins and Minerals

Give your family the right nutrition every day—put meat on your table! Safeway's unique Guaranteed Meats plan means more for your meat money. Our meat experts buy only the "better-eating" grades of meat. These choice meats are prepared with special care, and delivered to Safeway markets in just the amounts expected to sell right away. Unless you're pleased—every cut and every time—your money back!

Safeway Employees Buy Defense Bonds

Safeway employees are buying Defense Bonds regularly. Through a voluntary plan each employee decides how much he wants to set aside. The Company cooperates by regularly deducting this "Salary Allotment" from wages and with the accumulated savings buys bonds which are delivered directly to each employee by Uncle Sam.

SAFEBWAY
